Food Service News

All student lunch accounts have been updated, and any balances left from last year have been rolled over to the 2016 – 2017 school year. Check your students balance at www.payforit.net. If you have questions, please call the Foodservice Office at 330-877-4742.

Free and Reduced Lunch applications are now available online. Login with the same account as you now can use to complete student online forms. *(See related article about our new school online forms on page 4).*

Click on the “Lunch Menus” button on the school website home page, then click on the “lake.sdms2.com” link on the “Lunch Menus” page. It will direct you to the online process. *When submitting your application, you’ll get instant notification regarding your eligibility status.* This streamlines and expedites this application process.

If you have questions about the online application, contact me via e-mail at lloydave@lakelocal.org, or by calling our office.

The elementary buildings (K-5) lunch price is **\$2.50/day**. At elementary buildings, in addition to the daily lunch menu we offer pizza, fresh made salads, hot dogs and peanut butter and jelly sandwiches. Please send in money to deposit on your

student’s lunch account. Please call our office to limit a student’s purchases or to inquire as to what they are buying. Milk is .50 cents but is included in any lunch meal.

At the middle and high school (6-12), the lunch price is **\$3/day**. We offer freshly made salads, deli sandwiches, and a special item of the day each day. We also offer pizza every Monday and Wednesday, pepperoni calzones every Tuesday and Thursday, and baked subs every Friday. Milk is .50 cents but is included with any lunch combo.

Lunch menu for August 23, 2016 for grades K-5 is; Chicken Nuggets, Spinach Salad, Seasoned Fries and Milk. The menu for grades 6-12 for the first day of school is; **Chicken Tenders, Fries, Broccoli with Cheese, Applesauce Cup and Milk.**

Lunch payments on-line are now available for your convenience. See full explanation by clicking on the *Lunch Menus* button under *Quick Links* on the district website homepage, and click on the *PayForIT Parent Lunch flyer* link. Online payments require a *credit card*, your *e-mail address*, and your *student’s ID number*.

Vaccinations Required before School Starts

Immunization requirements for school attendance in Ohio have changed, requiring that **all Lake seventh graders and seniors receive immunizations before school starts Tuesday, August 23, 2016.**

All incoming seventh graders in the fall of 2016 are now required by Ohio school law to show proof of the following immunizations BEFORE the first day of school. They are:

- *TDaP vaccine (to protect against Tetanus, Diphtheria and Pertussis)*
- *Meningococcal (A, C, Y, W-135) vaccine (to protect against Meningitis)*

Any seventh grade student who has not had TDaP and Meningitis (A, C, Y, W-135) vaccinations will not be permitted to attend school until proof of these immunizations or alternative requirements according to Ohio Revised Code section 3313.67 have been received by the school.

Both the required TDaP and Meningitis (A, C, Y, W-135) shots can be obtained at any time from now until the first day of school. Contact your Primary Care Physician or the Stark County Health Department (Ph: 330-493-9914) for an appointment.

Meanwhile, all incoming seniors are required to receive the Meningococcal (A, C, Y, W-135) vaccine (to protect against Meningitis) before school starts.

If your student received a Meningitis (A, C, Y, W-135) vaccine before age 16, a second dose is required for school attendance in twelfth grade.

If your student will be receiving the first dose of Meningitis (A, C, Y, W-135) vaccine and is now 16 years of age or older, only one dose is required for school attendance in twelfth grade.

Any senior who has not had the required Meningitis (A, C, Y, W-135) vaccination will not be permitted to attend school until proof of this immunization or alternative requirements according to Ohio Revised Code section 3313.67 have been received by the school.

The Meningitis immunization can be obtained at any time from now until the first day of school. Contact your Primary Care Physician or the Stark County Health Department for an appointment.

Don’t wait!

As soon as these required immunizations are obtained, please provide a copy of your child’s shot record, including the Meningitis vaccination dates, to Lake Middle School or Lake High School so your student’s record can be updated. Visit the school website homepage at www.lakelocal.org, and see a “District News” item to view downloadable letters to parents of seventh graders and seniors. Both letters include a form that parents can use to submit the vaccination record.

If you have questions, please contact School Nurse Therese Gilbert, LSN, BSN, RN, at 330-877-4762, or via e-mail at gilberttherese@lakelocal.org.

School Facilities Update

Following is the latest information concerning our school facility project, including what will be happening in the immediate future:

- Beginning the first week of September, construction site work will begin at the Lake/Hartville complex, the future site of our 2 – 6 building
- During September, the existing playground at Uniontown Elementary will be moved to the back of the school building
- New classroom furniture will be piloted in kindergarten, third grade, and fifth grade classrooms – our students will offer input and comments on choices available!
- Phase I development of State Route 43 athletic fields has been completed and grass has been planted; use of fields by community and school athletes can tentatively begin in late 2017
- Beginning this year, bus routing at Lake Middle School and Lake High School will be changed, and parking for Lake High students will be adjusted, in anticipation of site work, which will begin early spring, 2017. More details will be forthcoming soon!
- Tentative occupancy of Hartville/Lake Elementary: fall, 2018
- Tentative occupancy of southern new extension of Lake High School: fall, 2018
- Tentative occupancy of new/remodeled construction at Uniontown Elementary: TBD
- On a related note, as of August 1, 2016, **Pat Carroll** assumed the role of Assistant Superintendent, while **John McAllister** became Lake's Facility Project Manager.

Traffic Alert

New Construction Near Lake/Hartville Elementary Will Impact Traffic

Construction for our new intermediate building for grades 2-6 will soon begin. Our new building, slated for completion by 2018-19, will be located behind the present Lake/Hartville complex and it will greatly impact traffic and parking patterns.

The construction zone will be fenced off for safety, and staff parking for Lake Elementary will be moved to the west end of the complex and occupy 70 spaces. The remaining spaces will be used for visitor parking.

Buses will lineup on Belle Street and Lincoln Street both in the morning and at dismissal. **Student drop off in the morning will be at the west end of the Lake/Hartville complex with all students entering Lake Elementary through door 6.** Parents dropping students off will only be able to enter the west parking lot from Lincoln Street.

Parent pick for both Hartville Elementary and Lake Elementary students will be at the end of the school day AFTER buses have departed at approximately 3:30 p.m. at their respective building main entrances.

*We strongly encourage parents to have their children **ride the bus to and from school** during the school year!*

Allowing your child to ride to the bus will provide the following benefits:

- Fewer parent vehicles will greatly reduce traffic congestion around the Hartville/Lake Elementary complex*
- Fewer parent vehicles will allow Hartville/Lake staff to more efficiently and safely monitor students*
- Bus ridership provides convenience and saves parents time*
- Bus ridership saves parents money – spend less on fuel*
- Bus ridership saves wear and tear on your vehicle*
- Bus ridership saves an average of more than 1 million pounds of CO2 emissions per state per year*
- School buses are designed to be safer than passenger vehicles in avoiding crashes and preventing injury*

- Students are much safer riding the school bus than being driven by a parent; they are about 20 times more likely to arrive at school safely if they take the bus.*

The schedule for students attending Lake and Hartville Elementary will remain the same as last year. Students will be released from buses at 8:35 a.m. Students arriving after 8:45 a.m. will be tardy. At the end of the day, students will be dismissed to buses at 3:18 p.m. and depart from the school by 3:25 p.m. Bus routes for all Lake students will be posted on the school website, www.lakelocal.org, by the middle of August 2016.

These are exciting times as we begin the journey to provide our students with 21st Century schools. We hope to reduce inconveniences and obstacles to parents, students, and staff to ensure a successful, exciting school year!

Transportation News

Bus Schedules and Routes

Children should be at bus stops five minutes before the normal pick up time. Please allow extra time for the bus ride to/from school during the first several days of school. During the first two weeks of school, parents are asked not to bring students to school or pick them up at the end of the day unless absolutely necessary. This helps the students learn which bus they will be riding. *This year, due to school construction, we ask you to consider **not driving your child to/from school. Let them ride the bus.***

Teach Children

- Safe walking practices to and from the bus stop.
- To wear light colored or reflective clothing when going to and from the bus stop in darkness.
- How and where to wait safely for the bus
- What to do if the bus is late or does not arrive.
- What to do if you are unable to be home when your child arrives (have PLAN B in place).
- How to enter and leave the bus safely.
- How to safely cross the roadway before boarding and after leaving the bus.
- Respect for rights and privileges of others.

Designated Bus Stops

Bus drivers must account for each pupil's safety before leaving them. Students should not leave the bus stop until the bus has departed. Please ask your child to follow the driver's instructions.

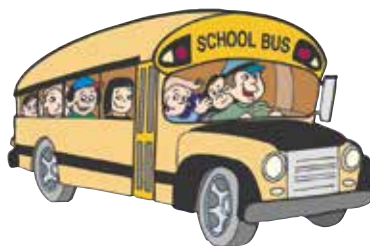

Alternate Stop Forms

Parents using the service of a local daycare or babysitter other than their home must fill out an Alternate Stop form each school year. The student must be at the same location either in the a.m. or p.m. five days a week unless you have submitted shared parenting papers (court order) giving us authorization.

This form is available online at lakelocal.org under 'Transportation,' or at your child's school.

Bus/Route Communication

All communications concerning transportation are to be directed to the Transportation office at 330-877-4275.

Complete Required Students Forms Online!

Lake Local Schools is introducing the ability to complete required student forms online, through the school website, for the 2016-2017 school year for the convenience of parents and our staff. We are starting this process by placing the following school forms online:

- | | | |
|------------------------------|----------------------------|------------------------------------|
| • <i>Student Information</i> | • <i>Emergency Medical</i> | • <i>Over-the-Counter Medicine</i> |
| • <i>Contacts</i> | • <i>Media Release</i> | • <i>Residency Verification</i> |

To complete forms online, you will need access to the Internet, and you will need to create an account using your son's/daughter's student information (your child's first name and last name, and their student ID number – you should have received a district letter recently with this number). If you have multiple children, only one student's information is required to create an account. Your other children will be added to this account after the account has been created.

To access the online forms link, go to the Lake Local Schools website, www.lakelocal.org, and click on the **Online Forms** button located on the homepage of the website (left hand side, fourth blue button down under *Quick Links*). This button will take you to a webpage that will allow you access to the site to create an account and a document with step-by-step instructions on how to go through the process.

If you have problems or concerns completing your student's online forms, please review easy step-by-step instructions provided via a link on the online forms page, or contact your school building's main office.

The **Free and Reduced Lunch Application** can also be filled out through this online process as well. Login with the same account as you used for the above online forms. Click on the "Lunch Menu" button on the school website homepage, then click on the "lake.sdms2.com" link on the "Lunch Menus" page, and it will direct you to the online process. When submitting your application, you'll get instant notification regarding your eligibility status. This streamlines and expedites this application process tremendously.

If you have any problems or concerns completing the *Free and Reduced Lunch Application*, please contact the Food Service office at 330-877-4742.

Students are not permitted to change buses or travel home with a friend on their buses without prior written authorization. Request must be in writing from the children's legal guardian at least 24 hours in advance of the requested day. Request may be denied if the bus has the maximum students riding the requested bus. Many buses cannot accept additional students. Once students are on a school bus they are not permitted to leave that bus until they are transported to their assigned stop, unless authorization has been given by a school official. If there are health or special circumstances affecting your child that we should be made aware of, please contact the Transportation office.

Medication Administration for Students

In preparation for the 2016-2017 school year, please read information below regarding medication administration to students within our district.

- All students receiving any medication at school must have the proper medication authorization form completed.
- All medications, including topical ointments, must be provided by the parent.
- Medication must be in the original container labeled with the students name and dosing instructions.
- Prescription medications must be brought in prescription bottle with signed instructions form from the physician.
- It is advised that the medication form and medication be brought to the school by the parent/guardian.
- There must be notification to the school if there is any change in the medication instructions.
- Please provide any other information that will help insure the proper and safe usage of the medication.
- It is the responsibility of the parent/guardian to retrieve any remaining medication at the end of the administration period (or school year). Any unclaimed medication will be disposed of prior to the next school year.

We look forward to a great 2016-2017 school year. If you have any questions, please contact School Nurse Coordinator Therese Gilbert, RN, BSN, LSN, at 330-877-4762.

Grade Level Updates

Kindergarten

With a new school year soon to be underway, kindergarten teachers at Hartville Elementary are looking forward to meeting new students and their families! We are honored to be your child's first teacher in 'real school' and treasure this special time we get to experience with your child. Kindergarten is a time of great growth and development both academically and socially, and the Hartville Elementary kindergarten teachers are excited to begin! Please be sure to view the Hartville Elementary Kindergarten "Welcome to School" movie on the Hartville Elementary web page on the school website.

Kindergarten students will be completing a screening during their scheduled time August 22-25, 2016. If you have any questions please call the office. Class lists with student numbers will be posted on door #17 and door #1 August 25, 2016, at 3:30 p.m.

Kindergarten students and families are invited to "Meet the Teacher" Open House August 26, 2016, anytime from 12-2 p.m. or 4-6:30 p.m.; please bring your child's supplies to the Open House. Students and families are invited to meet your child's teacher and see the classroom. The first official day of kindergarten will be August 29, 2016. We are excited to meet you!

First Grade

First grade teachers welcome all of our new students to first grade! We hope to meet you all at **Meet the Teacher Night Thursday, August 18, 2016**. We will begin the school year by reviewing all kindergarten curriculum, then begin new first grade concepts including reading, writing, math, citizenship, and science. We can't wait to help the students make new friendships and get acquainted with their new classrooms and teachers.

Second Grade

The second grade staff would like to welcome everyone to the 2016-2017 school year! We have many exciting activities planned for this year. Our second grade team consists of **Holly Collins, Nathan Klein, Lindsay Mann, Julie Sodik, Judie Wendorf, and Kristin Williams**. Our **Meet the Teacher Night** will be **Thursday, August 18, 2016, from 6-7 p.m.** We will be giving a brief presentation at 6:20 p.m. Please bring your child and attend this informative evening. Try to bring your child's labeled school supplies that evening, so your child does not need to worry about bringing them school on the first day. We look forward to meeting and getting to know all of our students and families!

Third Grade

Third Grade is an important and enjoyable year of learning for students. We use science as our main focus throughout the year. Science is so much fun and ties into everything we do in life. Students will become scientists in our classroom by conducting their own experiments. We will discuss how and why the experiment worked, and how it was done. Reading is a very big part of third grade, and we will read lots of books and learn about all the genres. We are looking forward to an exciting year!

Student Placement

Parents will be receiving letters the week of **August 15, 2016** regarding the teacher and classroom assignment for your child.

Registration for New Students

If you need to register your child for the upcoming school year, please visit the Hartville Elementary office weekdays beginning **August 5 from 8:30 a.m. - 3 p.m.** entering through door #1. If you have any questions, please call 330-877-4278.

Kindergarten Screening

We will be doing Kindergarten Screening and administering the KRAL Test to all of our incoming kindergarten students on August 22-24. A letter will be mailed to let you know how to sign up for a screening time. The first day of school for kindergarten students is **Monday, August 29, 2016**.

Awards

Uniontown Elementary Receives All A Award

Ohio's State Board of Education recently granted Uniontown Elementary one of its first annual **All A Awards**. This recognizes schools that have received A's on every aspect of school performance measured on Ohio's School Report Cards.

As one of the first winners of this award, Uniontown Elementary is part of an elite group of schools that are demonstrating high quality teaching and leadership that result in high academic performance for every type of student. "The All A's Award is presented by the State Board of Education and recognizes schools for receiving an "A" on every Ohio School Report Card measure. This award places your district among the top-performing ones in our state," added Allie Gellner, intern with the Ohio Department of Education.

"Members of the State Board greatly appreciate your leadership and the conscientious work of your teaching and support staff to bring about this great success. Please convey our thanks to your staff and parents for believing that every child can succeed and committing to make sure that every child does. Your school is a wonderful example for all Ohio schools," states a letter to Uniontown Principal Frank Gant from Thomas Gunlock, President of the State Board of Education.

NOTE: Lake Local's Hartville Elementary would also have received similar recognition during 2016 as an All A Awards school, except more than five percent of their entering kindergarten students were found to be "not on track" after a kindergarten state assessment administered last fall. "This kindergarten state assessment is a curious indicator, considering we have no control of the literacy capabilities of our students as they enter kindergarten," commented John McAllister, Lake's former Director of Instruction.

Uniontown Educators Receive State Awards

Uniontown Elementary paraprofessional **Trish DiDonato** and second grade teacher **Ali DeGeorge** were recognized for their outstanding commitment to students during a conference in Columbus June 13, 2016. Mrs. DiDonato was recognized as the *Ohio's Council for Exceptional Children's Outstanding Paraprofessional*, while Mrs. DeGeorge was named *Ohio's Council for Exceptional Children's General Educator of the Year*. They were selected based on their work with students with and without special needs in the classroom

"Mrs. DeGeorge has worked tirelessly to create a culture of learning and collaboration in the classroom and with her fellow teachers. As a leader, she has become an agent of change. She has led a grass roots approach that changed the way Uniontown Elementary services students. Due to her hard work and commitment to students with and without disabilities, students can learn in an open, supportive environment," began Uniontown Elementary Principal Frank Gant, who accompanied his staff members to the awards presentation in Columbus.

Mrs. DeGeorge has been employed with the district for 17 years, while Mrs. DiDonato has been a staff member for the past 19 years.

Camp Invention

Learning continued at Uniontown Elementary after school ended last spring! Camp Invention was held at the school June 6 – 10, 2016, and 78 students participated. They disassembled electronics, saw what was inside, and tried to build their own inventions from the remnants. They also had the opportunity to build a solar powered cricket and an eco-friendly tree house! Everyone involved loved the camp. A special thank you to everyone who helped. Plans call for a Club Invention to be offered to first – third graders after school during the 2016 -2017 school year. Watch for more info once plans/dates are finalized!

Kindergarten News

We can't wait to meet you! The first day of kindergarten is Monday, August 29!

LMS Student Drop Off

Parents transporting their students to the middle school should enter the north drive and pull alongside the curb in front of the middle school. Please pull forward as far as possible. For safety reasons, students should exit vehicles only on the **curb side**, as traffic exits the parking lot on the *left side* of the vehicles.

Finalists: **Daniel Kotyk, Joseph Ferrara, Brian Baur, Jon Kelley, and Natalie Cross.** Not shown: **Emily Mudd and Abigail Grow.**

Students Race Solar Cars

Forty students from Mrs. Jones' Technology in Education course participated in the second annual Northeast Ohio Junior Solar Sprint Race held at Cleveland State University May 18, 2016. Students competed against teams from Brecksville, Westlake, and North Olmsted.

Congratulations to **Daniel Kotyk, Natalie Cross, Emily Mudd, Abigail Grow, Brian Baur, Jon Kelley, and Joseph Ferrara** for advancing to the final round of the race. In addition, Brian Baur's car, "Fisherman's Ride," came in second place overall. His car also received an award for Best Workmanship.

In addition to the race, students toured through CSU's Engineering Labs, heard a presentation entitled "What Do Engineers Do?" and explored interactive stations related to alternative energy.

Another Successful Year in Art Class

Last September, several students joined Mrs. Boxler in downtown Hartsville to support high school student **Megan Stevens** with her National Honor Society project. We had a great time painting chairs that were donated to local businesses.

Several of our students received honors in January at the annual Scholastic Art Awards. **Jacey Richards, Aaron Phillips, Rochelle Leeper** and **Bella Marshall** all received Honorable Mention for their outstanding artwork. (Bella Marshall not pictured)

In March, three eighth graders participated in The Battle of the Brush. **Hailey Eiseman, Eiley Gill** and **Bella Marshall** joined Mrs. Boxler at the competition and spent two hours creating an original artwork.

Students in Mrs. Boxler's seventh grade art classes excelled in a project designed for the Lake Historical Society. Those students were given a photograph of a building in our area and were asked to recreate it as an expressive painting. The members of the Historical Society were so impressed that they are currently making plans to use those paintings to develop a calendar or notecards!

Art Enrichment students created artwork on Starbucks cups. For the third year, students had the opportunity to create an Earth Day-themed work on an actual Starbucks cup. The cups were then displayed at the Washington Square Starbucks!

In April, Art Enrichment students curated the District Art Show. Those students worked very hard to label, mat, and frame more than 300 works of art.

Lastly, students in the Art Enrichment class took a field trip to Kent State University in May. The trip was made possible due to a generous grant from the Juilliard Center for the Arts. Students were able to tour the new art facility and campus. Students also took photographs that were then digitally manipulated.

It was a great year with many reasons to celebrate the arts!

S.O.S. (Save Our Subscriptions!)

LMS Magazine Sale - Here's How You Can Help...

We will hold our annual Magazine Fundraising Drive beginning in September. You can help the success of this program by simply saving your magazine renewals for the magazine drive. New subscription orders and gift orders are welcomed and will benefit our sale.

Current subscriptions can be renewed during the magazine drive. Those renewals will begin when the current subscription expires. Friends and neighbors can support our fundraiser by placing their orders and renewals through our students as well.

Your participation will make our sale a success. Thanks for your support!

The Lake Middle School PE department is going to look different this year! All students in sixth – eighth grade are going have a chance to enjoy great workouts during class, while learning proper techniques for different exercises. Students will use training barbells (15lb.), bumper weights, kettlebells, medicine balls, ab mats, jump ropes, etc. Exciting times are ahead for the PE program at LMS!

Want to know more about district events?

Our Lake Local School District TANDEM CALENDAR lists every event in the district. Click on "Parent" or "Student" link at the top of school website homepage, then click on the calendar link on "Resources" page. See events for the entire district. Sort for Middle School events by clicking on the 'spotlight' and selecting our building. Click the 'away event' to get driving directions and other info.

Opening of School

A mailing was sent at the end of July to each student who will be attending Lake High School for the 2016-17 school year. This packet contains important information about **forms** that must be completely filled out and provided to the school prior to receiving a class schedule. If you did not receive this packet of information, please contact the high school office at (330) 877-4282.

In addition to receiving a class schedule, students will also be issued a **new laptop computer** that will be their own personal device to use for the duration of the 2016-17 school year. A parent or guardian must accompany each student to his/her schedule pickup time listed below to complete the proper procedures for receiving the laptop. For those families with multiple students, please choose one of the three dates (other than the Freshman Orientation date) to accompany your children as they pick up their schedules and laptops.

Freshman/New Student Orientation and Schedule Pick-up

Freshman/New Student Orientation will be Thursday, August 11, 2016, beginning at 8 a.m. in the Performing Arts Hall in the high school. A short program will outline the expectations for students as they begin high school, and will also include additional information needed before students are able to receive their schedules, locker assignments, and laptops.

Parents and students are encouraged to enter through Door 5. Students will receive a schedule as long as all of the appropriate forms are filled out, and they will also be issued a laptop provided a parent/guardian is present to sign off on the necessary paper work. As stated above, those families with multiple students may choose one of the three dates (other than the Freshman Orientation date) to accompany your children as they pick up their schedules and laptops.

Seniors Juniors

Wednesday, August 10: 7 – 8 p.m. – enter through Door 1.

Monday, August 15: 6 – 7 p.m. – Orientation for Junior Career and Tech Prep students attending Hoover, Jackson, or GlenOak – enter through Door 5 for meeting in the Performing Arts Hall.

Monday, August 15: 7 – 8 p.m. – enter through Door 1 for schedule and laptop pick up.

Sophomores

Tuesday, August 16: 7 – 8 p.m. – enter through Door 1.

Back-to-school Parking and Traffic Flow Reminders/Information

Please be mindful of some key points when visiting the high school, particularly as we move toward new high school construction and the many changes that will be coming to our district facilities.

- *The bus lane is off limits to all traffic at all times except for school bus traffic.* At no time should there be regular passenger vehicles in the bus lane before, during, or after school hours.
- Any parking spots marked with a “T” in the King Church parking lot is reserved for faculty and staff members.
- Seniors are permitted to park in designated spots on the west side of Market Avenue in the Lake Center and King Church parking lots. *Parking tags should be displayed in vehicles at all times.*
- Juniors and underclassmen will be permitted to park in the stadium parking lot on the east side of Market Avenue. *Parking tags should be displayed at all times.*
- If your child is arriving late or leaving early, please use the King Church lot and enter/leave through Door 2.
- All after school activities use the King Church lot. Students and parents may access the building through Door 5. The public library lot should *not* be used for parking during school hours or for after school activities.

2016-17 Fees

School fees for the new school year are currently unavailable due to possible schedule changes. Fees for the 2016-17 school year will be confirmed once the schedules are finalized and will be listed at the bottom of the first report card. Report cards will be mailed home at the end of the first nine weeks grading period which ends on October 28, 2016.

School fees may be paid electronically by using the site <https://www.payforit.net/> or by cash or check. Checks should be made payable to Lake High School.

School Supply Lists

School supply lists are not issued before school begins at the high school level. Your child’s teacher(s) will let them know what supplies, if any, are needed within the first two to three days of the new school year.

Students Receive Computer Laptops

Following through on a priority cited during the school bond issue campaign during 2014, students in grades 8-12 will be issued their own Dell laptop computers, toward fulfillment of a district pledge to issue one computer per student for use during the school year.

One-to-One Computer Roll Out Schedule:

• Wednesday, Aug 10, 2016	Seniors 7-8 p.m. @LHS Commons
• Thursday, August 11, 2016	Freshmen..... 8-11 a.m. @LHS PAH for info., instructions
• Monday, August 15, 2016	Juniors 7-8 p.m. @LHS Commons
• Tuesday, August 16, 2016	Sophomores 7-8 p.m. @LHS Commons
• Tuesday, August 16, 2016	Eighth Graders 6-7 p.m. @LMS Gym

Payment of Some Student Fees Delayed

Parents – please note the district will not collect most back-to-school student fees until **after Monday, October 3, 2016**. This delay will provide more time for the district to integrate our new Online Pay system with new SunGard software being used by parents, students, and staff.

However, the district **will be** collecting fees for student athletic participation as regularly scheduled. In addition, **insurance fees** will be accepted from parents during August if they wish to have coverage for computers issued to students in grades 8-12.

Lake High School and Middle School parents and students will be directed to receive their computers, complete necessary paperwork, and can purchase optional laptop insurance (\$50) for protection against possible laptop damage or breakage that may occur during the school year.

PLEASE CALL AHEAD (330-877-4288) SO THAT YOUR PASS CAN BE PRINTED AND READY FOR YOU TO PICK UP.

FAMILY PRICE (NEW FOR 2016-17)

In an effort to keep athletic events affordable for families, Lake Local Schools are pleased to announce a new ticket option. For one price (\$21 football, \$16 all other HS events, and \$8 MS events) all members of an immediate family from the same household will be admitted to the game.

Track and Field Highlights

Nathan Moraghan had a successful season as a junior for the Lake Blue Streak Track & Field team last spring, especially in the pole vault event! Nathan tied the school record in the event at last season, reaching 14 feet, to earn All-League Honors, and placed fourth at the Northeast Regional Meet. This qualified him for the pole vault event at the Ohio State Championship Meet in Columbus at the historic Jessie Owens Stadium on the Ohio State University campus last spring.

In addition to Nathan, a total of six other Lake athletes qualified for the Regional track meet last spring. They were junior **Conner Delahanty**, (4X800 meter relay & 3200 meters); junior **James Bradcovich** (4X800 meter relay); junior **Joe Zwick** (4X800 meter relay); junior **Austin Coldsnow** (4X800 meter relay); senior **Miranda West** (district champion in shot put for second year in a row), and senior **Ashley Onabiyi** (discus).

Lake has had at least one state qualifier seven of the last nine years, with three of them earning All Ohio Academic Honors with a 3.5 grade point average or better.

Blue Streak Nation is extremely proud of Nathan, Miranda, and all the other athletes whose hard work and effort led to individual and team success last year! *Race'em & Rock'em!*

They're Back!

The band is BACK! ... The Lake Blue Streak Marching Band, under the direction of **Rich Kibler, Jared Cooley, Mark Tryon, Joshua Laux**, and auxiliary instructor **Colleen Mizer**, began rehearsals for the Hall of Fame parade and the upcoming school year July 25, 2016. The Hall of Fame Parade was the first performance for the band, and they are now busy preparing for the first home football game Friday, August 26, 2016. This year's marching band is approximately 160 members strong and will perform at every Lake football game during pregame and halftime, at our own 2016 Lake Band Show, and at the Massillon Band Show.

2016 Lake Band Show

The 9th Annual Lake Band Show will be held **Saturday, September 10, 2016, at 7 p.m.** in Lake Blue Streak Stadium/Alumni Field. Featured marching bands from outside our community will include United, Alliance, Wadsworth, Carrollton, GlenOak, Jackson, Massillon, Cuyahoga Falls, and of course our own Lake Blue Streak Marching Band. Be sure to get your tickets early for this show! Presale tickets for this year's show can be purchased online. To purchase Presale Reserved Tickets online, simply go to www.lakebandshow.info and click on the link to purchase tickets. This online Reserve Ticket purchase opportunity would be a great way for families/friends to sit together in the best seats in the stadium.

Tickets will also be available at the gate the night of the show. All proceeds from the Band Show support the entire Lake Band Program. For more info, please see the cover of this issue of the *Blue Streak News*.

Upcoming Events

Don't miss the "Pride of Lake Township", the Lake Blue Streak Marching Band, at their upcoming 2016 performances, in addition to pre-game and half-time band shows at home football games **August 26, September 2, 16, 30, and Oct. 21 and 28** at Blue Streak Stadium.

Lake Band Boosters Welcome You!

The first Band Boosters meeting of the 201-20167 academic year is **Thursday, September 8, at 7 p.m.** in the high school band room (enter door 4). All parents of fifth through twelfth grade band students are automatically Lake Band Boosters members and there is no membership fee required. Parents are encouraged to attend the monthly meetings to get first-hand information directly from the band directors, learn about band updates and activities, and connect with other band parents. Band Boosters meetings are held each Thursday of the first full week of each month at 7 p.m. in the high school band room. Please mark your calendars and plan now to attend.

Providing leadership for the 2016-2017 Lake Band Boosters are **President Dave Barrett, Vice-President Kim Kohler, Co-Treasurers Ruth Hawari and Tracy Parker, and Secretary Kathy Martin**. If you have questions about the Lake Band Boosters or would like to volunteer or get involved on a committee, please contact President Dave Barrett at 216-952-3913 or e-mail him at dave@bestguards.com.

Join the 2016-17 Lake Band Patrons!

The Lake Band Boosters invite you to become a Band Patron for the upcoming academic year. All 2016-17 patrons will receive recognition in ALL of the Lake Band concert programs throughout the 2016-17 school year. If you join prior to **August 5**, your listing will also appear in the 2016 Fall Sports Programs. Parents of 5th through 12th grade band students, relatives, former band members, music lovers, band alumni and interested community members, businesses, and organizations who would like to show support for the Lake Band program are all welcome and encouraged to participate.

Patron contributions are utilized by the Lake Band Booster organization to help fund expenses related to uniforms, instruments, home football game concessions, the annual band fall fruit sale program, hosting the Ohio Music Education Association annual high school adjudicated event, annual August social, spring banquet, scholarship awards, student enrichment and more.

To support the Lake Band students and the upcoming 2016-17 band program, simply complete this Patron form and mail your tax-deductible donation today. Thank you for your patronage!

Dear Choir Parents,

Welcome to the Lake Choral Booster Club. It is the purpose of the Choral Boosters to promote and advance the vocal music program of Lake Schools.

The Lake Choral Boosters Club provides necessary financial support for

Solo and Ensemble- (High School and Middle School)
 Large Group events- (High School and Middle School)
 Spring Musical- (High School)
 High School Choir Banquet
 Two Scholarships awarded to graduating Seniors
 Special Events and Performances- (High School and Middle School)

Membership to the Lake Choral Booster Club is free. For those who may wish to make a direct financial contribution there is a patron program, which includes benefits such as tickets to the Musical and Program recognition. There are also plenty of opportunities to promote and advance the vocal music program through our volunteer service.

Lake Choral Boosters meet regularly on the first Tuesday of every month in the High School Choir Room at 4:00 (Door #3). Please consider attending a meeting. New membership is needed to grow the Choral program for Lake Schools. All interested people are Welcome!

So we are able to keep you updated with information about meetings, concerts, and activities in the choir program, please complete the "Parent Contact Information" below.

Bang for your buck.

That's what drew Hollie Bandy to Stark State College.

“ You really get a lot of value for your education dollar. I have a friend taking the same classes at a university paying three times as much – you get the same quality at Stark State for less. ”
